

## Global Immigration Update

JULY 2023

This month's Global Immigration Update includes recent developments in work permits in Canada and the EU Blue Card Directive in the EU, as well as updates from Germany, India, Italy, and the UK.

### CANADA

As discussed in the June Global Immigration Update, Canada has announced a new category of open work permit for US H-1B visa holders.

### CHATTING WITH CHARLIE

Former U.S. Department of State (DOS) Chief of Immigrant Visa Control Charlie Oppenheim has joined WR Immigration as Director of Visa Consulting. Charlie will take lead on a multi-webinar series titled "Chatting with Charlie." Chatting with Charlie focuses on projections, predictions and guidance for strategic visa planning that will be invaluable to Human Resource Managers, in addition to visa applicants.

### Journey Forward with WR Immigration

Established in 1986, Wolfsdorf Rosenthal LLP ("WR Immigration") mission is to provide our clients with the best experience through strategic legal services, predictive technology, and inclusive collaboration.

WR Immigration clients are empowered with our award-winning immigration management software, WRapid™, a centralized, cloud-based technology with robust analytics and much more.
